Recoverable materials account for 47% of landfill space but when the average sized business recycles for one year they would help save:

- **(34) 35 foot trees**
- **enough fuel to drive to California & back 15 times**
- **enough energy to power Ford Field for six months**
- **enough water to fill 10 olympic swimming pools**
- **52 yards of landfill space**

Up to 75% of your trash is recyclable!

***Clear Glass**
Empty Clear Glass Only
