## Genoa Township News & Updates

### Greetings

Welcome to this month's edition of Genoa Township news via email. Here's what's coming up in the Township:

### Survivor Park Update

Groundbreaking for Survivor Park was held May 20 at the Township Park. The event was led by the Howell High School senior classes of 2021 and 2022. The students raised over \$462,000 during the Senior Survivor to help build an inclusive park on the Township Hall grounds. This park will provide an opportunity for children of all abilities to play and enjoy the park.

A copy of the plans for the park is available for viewing at the Township Hall. Survivor Park is expected to be completed in the fall of 2022.

Thank you Howell students!
