## Genoa Township News & Updates

### Greetings

Welcome to this month's edition of Genoa Township news via email. Here's what's coming up in the Township:

### Spring Yard Waste Collections

Our Spring Yard Waste Collection program has been scheduled for the following dates. The collection event is located at the Genoa Township Hall between the hours of 8 am to 11 am:

**Saturday, April 20**

**Saturday, May 18**

Residents only may bring their leaves, small brush and other natural yard waste to the Township Hall parking lot. Branches and similar materials must be in 3 foot long bundles. The Township encourages the use of brown paper yard waste bags.

**Please no plastic bags.**

Additionally, Waste Management (WM) will pick up yard waste every other week from residents who subscribe and pay for the service. Call WM at (810) 201-5576 if you are interested in yard waste collection.

More information can be found on our [Refuse & Recycling](#) page

### Bauer/Challis Roundabout

Beginning this spring, the Livingston County Road Commission will be reconfiguring the Challis Road and Bauer Road intersection to include a roundabout. The Township is contributing \$500,000 towards this project which will alleviate congestion and improve public safety by eliminating the steep hill on Bauer Road north of Challis Road.

Please click on this link to view the vicinity plan from the Road Commission showing how the new road is designed. You can contact the Livingston County Road Commission with any questions at (517) 546-4250.

### Property Tax Information

Thursday, February 29, 2024 was the last day to pay 2023 Property Taxes at the Township office. All payments must now be made to the Livingston County Treasurer's Office. Due to the balancing process, no payments can be between March 1st and March 15th.
