Genoa Township News & Updates

Greetings

Welcome to this month's edition of Genoa Township news via email. Here's what's coming up in the Township:

Spring Yard Waste Collections

Our final Spring Yard Waste Collection is scheduled for **Saturday, May 18**. The collection event is located at the Genoa Township Hall between the hours of 8 am to 11 am.

Residents only may bring their leaves, small brush and other natural yard waste to the Township Hall parking lot. Branches and similar materials must be in 3-foot-long bundles. The Township encourages the use of brown paper yard waste bags.

Please no plastic bags.

Curbside Yard Waste Collection

Waste Management will pick up yard waste every other week from residents who subscribe and pay for the service.

The flat rate is \$80 for the season.

The paid yard waste service began the week of April 10. Residents south of I-96 are picked up on Wednesdays. Residents north of I-96 are picked up on Thursdays.

Call WM at (810) 201-5576 if you are interested in curbside yard waste collection at your home. Enter your zip code when asked for an account number.

Bauer/Challis Roundabout

The Livingston County Road Commission will be reconfiguring the Challis Road and Bauer Road intersection to include a roundabout. Construction is expected to begin this month and last through November 2024. The Township contributed \$500,000 towards this project which will alleviate congestion and improve public safety by eliminating the steep hill on Bauer Road north of Challis Road.
