The MDR OWNER, LIC OWNER and the TOWNSHIP have agreed to enlarge and expand the SUMMERFIELD POINTE PLANNED UNIT DEVELOPMENT AGREEMENT to include the LIC PROPERTY pursuant to the conditions set forth below for the uses and future development of the LIC PROPERTY and the uses and future development of the TOWNSHIP's previous approval of the MDR PROPERTY, as set forth in the Planned Unit Development Agreement recorded at Liber 3533, Pages 0900 to 0906, Livingston County Records, and as depicted upon the site plan for the MDR PROPERTY attached as *Schedule "C"*.

The Township Planning Commission and Township Board, in strict compliance with the Township Zoning Ordinance and with Act 184 of the Public Acts of 1943, as amended, reclassified the Property as Residential Planned Unit Development District, finding that such reclassification properly achieved the purposes of Article 10 of the Genoa Township Zoning Ordinance, including the encouragement of innovation in land use, the preservation of open space, the promotion of efficient provision of public services and utilities, the reduction of adverse traffic impacts, and the provision of adequate housing and employment.

The TOWNSHIP has found and concluded that the uses and future development plans and conditions for the LIC PROPERTY as shown on the approved PUD Site Plan, as amended, are reasonable and promote the public health, safety and welfare of the TOWNSHIP and they are consistent with the plans and objectives of the TOWNSHIP and consistent with surrounding uses of land.

SUMMERFIELD POINTE PLANNED UNIT DEVELOPMENT AGREEMENT

THIS PLANNED UNIT DEVELOPMENT AGREEMENT is made and entered into on this 19<sup>th</sup> day of April, 2002, by ADLER ENTERPRISES COMPANY, L.L.C., 719 E. Grand River Avenue, Brighton, Michigan 48116 (referred to as "Owner") and the TOWNSHIP OF GENOA, a Michigan General Law Township, 2911 Dorr Road, Brighton, Michigan 48116 (referred to as the "Township").

**RECITATIONS:**

The Owner possesses fee title to certain real property situated in the Township of Genoa, County of Livingston, State of Michigan, more particularly described on attached Schedule A (referred to as the "Property").

The Owner has submitted a proposal for a site plan for the future development of the Property. The Township has reviewed and revised such plan.

The Township Planning Commission and Township Board, in strict compliance with the Township Zoning Ordinance and with Act 184 of the Public Acts of 1943, as amended, reclassified the Property as Residential Planned Unit Development District, finding that such reclassification properly achieved the purposes of Article 10 of the Genoa Township Zoning Ordinance, including the encouragement of innovation in land use, the preservation of open space, the promotion of efficient provision of public services and utilities, the reduction of adverse traffic impacts, and the provision of adequate housing and employment.

The Township has found and concluded that the uses and future development plans and conditions shown on the approved PUD Site Plan, attached as Schedule B ("PUD Plan"), are reasonable and promote the public health, safety and welfare of the Township, and that they are consistent with the plans and objectives of the Township and consistent with surrounding uses of land.

NOW, THEREFORE, OWNER AND TOWNSHIP, in consideration of the mutual promises contained in this Agreement, AGREE AS FOLLOWS:

ARTICLE I. GENERAL TERMS OF AGREEMENT

- 1.7 This Agreement, including the uses approved on the PUD Plan, are for the benefit of the Property, and shall run with the Property, and shall bind and inure to the benefit of the heirs, successors, assigns and transferees of the parties to this Agreement.

SUMMERFIELD POINTE PLANNED UNIT DEVELOPMENT AGREEMENT

THIS PLANNED UNIT DEVELOPMENT AGREEMENT is made and entered into on this 19<sup>th</sup> day of April, 2002, by ADLER ENTERPRISES COMPANY, L.L.C., 719 E. Grand River Avenue, Brighton, Michigan 48116 (referred to as "Owner") and the TOWNSHIP OF GENOA, a Michigan General Law Township, 2911 Dorr Road, Brighton, Michigan 48116 (referred to as the "Township").

**RECITATIONS:**

The Owner possesses fee title to certain real property situated in the Township of Genoa, County of Livingston, State of Michigan, more particularly described on attached Schedule A (referred to as the "Property").

The Owner has submitted a proposal for a site plan for the future development of the Property. The Township has reviewed and revised such plan.

The Township Planning Commission and Township Board, in strict compliance with the Township Zoning Ordinance and with Act 184 of the Public Acts of 1943, as amended, reclassified the Property as Residential Planned Unit Development District, finding that such reclassification properly achieved the purposes of Article 10 of the Genoa Township Zoning Ordinance, including the encouragement of innovation in land use, the preservation of open space, the promotion of efficient provision of public services and utilities, the reduction of adverse traffic impacts, and the provision of adequate housing and employment.

The Township has found and concluded that the uses and future development plans and conditions shown on the approved PUD Site Plan, attached as Schedule B ("PUD Plan"), are reasonable and promote the public health, safety and welfare of the Township, and that they are consistent with the plans and objectives of the Township and consistent with surrounding uses of land.

NOW, THEREFORE, OWNER AND TOWNSHIP, in consideration of the mutual promises contained in this Agreement, AGREE AS FOLLOWS:

ARTICLE I. GENERAL TERMS OF AGREEMENT

- 1.5 The PUD Plan identifies the location and configuration of the authorized land uses that may be developed, or must remain undeveloped, on the Property.

- 1.7 This Agreement, including the uses approved on the PUD Plan, are for the benefit of the Property, and shall run with the Property, and shall bind and inure to the benefit of the heirs, successors, assigns and transferees of the parties to this Agreement.
